Cal OES INLAND AND SOUTHERN REGIONS

Potential Public Safety Power Shutoff (PSPS)

On 07/09/19 at 1537 hours, Southern California Edison (SCE) notified the California State Warning Center (CSWC) of their decision to activate their Operations Emergency Center (OEC) for a potential PSPS event.

- SCE submitted an updated report at 1940 hours on 07/15/19 with the following information:
 - SCE remains at PSPS stage “Activating OES / Potential for PSPS”.
 - 22,456 customers could be impacted in Kern, Los Angeles, Riverside, and San Bernardino Counties
 - 625 medical baseline customers have been identified.
 - 167 critical care customers have been identified.
 - Potential de-energization times:
 - 0900 hours on 07/15/19 to 1800 hours on 07/19/19 for Kern County.
 - 0900 hours on 07/16/19 to 1500 hours on 07/17/19 for Los Angeles County.
 - 1200 hours on 07/16/19 to 1800 hours on 07/19/19 for Riverside County.
 - 1500 hours on 07/16/19 to 1800 hours on 07/16/19 for San Bernardino County.
- All notifications have been made per CSWC SOP.

2019 July 4th / 5th Earthquakes, Kern and San Bernardino Counties

On 07/05/19 at 2019 hours, a M7.1 earthquake occurred approximately 11 miles north-northeast of Ridgecrest on the China Lake Naval Weapons Station in Kern, San Bernardino and Inyo Counties.

- As of 07/15/19 at 1332 hours, 14,451 aftershocks have occurred at the following magnitudes: 4 - M5+, 68 - M4 and 557 - M3.
- Aftershocks are continuing to decline over time.
- State Staging Area established at Bakersfield Municipal Airport (demobilization estimated to be completed on 07/17/19).

Activations

- The California State Operations Center (SOC) is activated at a Level II. Operational Period: A Shift: 0700-1900 hours.
- The Inland Regional Emergency Operations Center (IREOC) transitioned to GeoOps. Operational Period: A Shift: 0700-1900 hours.
- The Southern Regional Emergency Operations Center (SREOC) transitioned to GeoOps. Operational Period: A Shift: 0700-1900 hours.

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Dry weather with seasonably hot temperatures continue, gradually cooling by late this week. Breezy winds through the Delta and over the Sierra crest at times.

SOUTHERN CALIFORNIA

- A drier atmosphere has allowed temps in the lower desert to soar.
- Excessive Heat Warning for portions Chiriaco Summit, Imperial Valley and Western Imperial County until Tuesday evening. High heat risk with overnight lows in the mid 80s and afternoon temperatures 107 to 118.
- Excessive Heat Warning remains in effect for the Coachella Valley and San Diego County Deserts through Monday evening. High temperatures of 112 to 116 with overnight lows in the 80s.
- High temperatures combined with low humidities, and locally gusty winds will bring an extended period of elevated fire weather concerns through Monday.

WEATHER KEY POINTS

07/15/19 - 07/21/19

Monday

- Dry and breezy afternoon conditions will create slightly elevated fire weather concerns for portions of Inland and Southern Regions
- Areas of increased risk for heat impacts for inland valleys across Southern Region and the southern deserts
 - Widespread heat risk level 2 - Moderate Risk for those who are sensitive to heat, especially those without effective cooling and/or adequate hydration
 - Localized areas of heat risk level 3 - High Risk for much of the population, especially those who are heat sensitive and those without effective cooling and/or adequate hydration
 - Temperatures
 - Inland valleys across Southern Region – High temperatures in the upper 90s to around 103.
 - Southern Deserts – High temperatures 112 to 116.
- Localized sundowner winds will develop for Santa Barbara County late this afternoon through tonight, with north winds of 20-30 mph with gusts 40-50 mph expected.

Tuesday-Sunday

- Dry and breezy afternoon conditions will create slightly elevated fire weather concerns for portions of Southern and Inland Regions
- A general cooling trend is expected, but areas of increased risk for heat impacts will linger for the southern deserts
 - Widespread heat risk level 2 - Moderate Risk for those who are sensitive to heat, especially those without effective cooling and/or adequate hydration.
 - High temperatures 100 to 112. Low temperatures in the upper 70s to mid 80s.

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- **2019-LAW-3594, 07/12/19, 1319 hours:** received an email from CSWC advising they received notification from IERCC of a SPOT device activation in Inyo County. Coordinates provided were 37.332730 / -118.201280. The device owner's daughter reported the owner and his wife planned to camp through the weekend. 1327 hours., called Inyo County SO dispatch and provided activation information. They dispatched patrol units to the area to perform a welfare check. 1451 hours, received call from IERCC advising they were able to make contact with device owner via cell phone and he advised he couldn't find his wife. 1455 hours, spoke with Inyo County SO dispatch and they were able to make contact with the device owner by cell phone. They indicated he was distraught, telling them that he was unable to locate his wife and was concerned she was kidnapped or fell in a hole. Dispatch advised patrol units were attempting to locate the device owner. 1609 hours, Inyo County SO located the device owner, who was in good condition. They were searching the area for his wife. SAR was aware of the incident and monitoring should a response be required. **UPDATE: 07/13/19, 0010 hours:** received email from CSWC requesting to contact Inyo County regarding a search for the female in this mission. 0028 hours, contacted Inyo County SO and they advised they completed a hasty search for the female subject and was unable to locate her. They requested one helicopter and Type I or Type II ground searchers from Mono and Kern Counties. They believed their in-county SAR resources would be adequate with resources from those two counties. They stated they would reach out to Mono personally, as they have a good working relationship and would notify me of available searchers. They requested all resources respond to the ICP, located at 700 Airport Rd. in Bishop, CA, on 07/13/19 at 0700 hours. 0046 hours., contacted Kern County and advised of Inyo's request. They were going to check availability and confirm. 0244 hours, AFRCC confirmed helicopter mission was approved. NAS Lemoore Navy helicopter would be on-scene at 0700 hours. 0501 hours, Kern County confirming (2) Type 1 ground searchers for today's search. They were going to be working on assembling more searchers should the search expand to 07/14/19. 1401 hours, received a call from Inyo County SO advising they had been unable to locate the female. They requested an additional 20 Type 1 ground searchers and 2 trailing dogs. 1800 hours, received email from State K9 Coordinator confirming 2 trailing K9s and 2 area K9s for 07/14/19 mission. 1810 hours, received a call from AFRCC advising the Lemoore helicopter completed its mission and was released. **UPDATE: 07/14/19, 0630 hours:** 26 Type-1 ground searchers, 2 Trailing K9 teams and 2 Area K9 teams confirmed for 07/14/19 mission. **UPDATE: 07/15/19:** CNG HC-130 made a FLIR flight over the search area from 0300 to 0500. 30+ type I and II searchers are here today. CHP H-80 is providing areal searching. AFRCC is attempting to secure a second helicopter for day time operations. CNG is providing a helicopter with FLIR for nighttime operations tonight. **MISSION ONGOING**
- **2019-LAW-3372, 07/09/19, 0900 hours:** Cal Expo Police requested a Cal OES law enforcement mission number for mutual aid tracking. The CA State Fair is July 12-28, 2019. Multiple local and state law enforcement agencies will contribute officers for law enforcement operations. Region 4 Law A/C coordinating mission. **MISSION ONGOING**
- **2019-LAW-3368, 07/09/19, 0900 hours:** Cal Expo Police Department requesting TACCOM support to patch VHF, UHF, and 800 MHZ bands to the Cal Expo Police Dispatch channel for law enforcement operations during the State Fair. Cal OES Region 4 Law A/C is coordinating with Cal Expo and TACCOM to support law enforcement communications for the duration of the CA State Fair. Comm25 assigned. TACCOM Region 4 A/C coordinating TACCOM resources. Comm Van 25, MAR 2 and 4 CRU staffing for Cal Expo / LE communications support operations, CA State Fair. **MISSION ONGOING**
